(Note)

1. Comparable stores mean “stores which had opened prior to the 2nd day of the month in the prior year, and are still operating on the 1st day of the month this year”. However, stores which closed during the month, or suspended operations for renovations for more than 5 business days during the month in either year, are excluded from comparable stores.
2. Flash Sales figures are based on retail price.
3. Performance of Japan retail sales above does NOT properly reflect sales trend of Link Theory Holdings group as Japan retail sales composed just 35.8% of consolidated net sales in fiscal year 2006.
4. Theory cafe is excluded from the number of stores.
5. Due to Kulson brand’s transition to Proof, the brand is excluded from comparable stores from February 2007.

(Comment)

- Continuous hot climate adversely affected sales in September, resulted into slow sales for 2007 Fall items.
